MOTIVATION AND ADDITIONAL INFORMATION

Career Goals and My Desire to Grow with Your Company

Over the past decade, I have cultivated an extensive and unparalleled experience in IT and communication systems. My diverse experience, which includes the installation of internet and intranet systems and radio systems, has equipped me with a technical skill set. Coupled with my team, I have consistently tackled a wide spectrum of field-related technical challenges with efficiency and precision.

I currently enjoy a successful and promising career. Nevertheless, I effort to involve myself more actively in international organizations to expand my vision. In this regard,international organizations is the right place both for my continued contribution to this fight on a grand scale, as well as for steering my career onto an even more satisfying and meaningful path.

● **RECOMMENDATIONS**

Enver KASLI Chief Inspector- Captain

Necip Ali and I collaborated on the aforementioned project, and I had the opportunity to observe his leadership skills firsthand. He played a significant role in the project and his contributions were instrumental in its successful completion.

Necip Ali possesses an open and collaborative working style, coupled with a quick learning ability. I have witnessed his adeptness at handling challenging situations and his inclination towards teamwork. He approaches his responsibilities with meticulousness and has demonstrated a strong commitment to the project, alongside his energy and dedication. In conclusion, I strongly recommend Necip Ali TUTMAZ for employment. He is a talented, hardworking individual with a team-oriented mindset. Please feel free to contact me if you have any further questions.
